15th June 2020

Dear KG/Montessori parents,

Greetings from Omega KG!!

Welcome to the Academic year 2020-21.

Omega always believes in making it possible, to help parents and children to make the best out of the situation in all possible ways.

As much as we are missing the vibrancy of children in the classrooms, we hope and pray that this pandemic will be wiped out soon and life will get back to normalcy at the earliest. Hope you all are safe and staying indoors taking all the necessary precautions.

The last 2 months had been a learning laboratory for the faculty too and the teachers have been working on creating content for children's continued learning. As part of continued learning, we would like to introduce a series of practical activities, rhymes and songs, stories, Language and Maths through videos, which would be mailed to all the KG/Montessori parents from Wednesday, June 17th. onwards on a weekly basis.

Kindly note that for every learning module, parental engagement is solicited. We would appreciate online learning engagement as families and not to leave the child alone at any cost.

Let it be a joyful learning with your child in a carefree and stress free environment. Earnestly seeking your support and cooperation to make this Toddler / Preprimary learning program a success.

Warm Regards,
Mrs.Preetha George
KG Headmistress
